ILKLEY CORONATION COTTAGE HOSPITAL

ANNUAL REPORT

(FORTY-SECOND YEAR)

The General Committee of the Ilkley Coronation Cottage Hospital present their forty-second Annual Report for the year 1946.

THE YEAR'S WORK

THE PATIENTS

Detailed statistics are published elsewhere in the Report, but brief particulars are given here for purposes of comparison between the years 1946 and 1945. At the beginning of the year 20 patients remained in Hospital, 548 were admitted during the year, making a total of 568 treated, 12 more than in 1945. The results of treatment are :—

Discharged cured	321
Discharged relieved	65
No change	133
Transferred	11
Died	21
Remaining in Hospital	17
	568

During the past 42 years, 12,091 In-patients have received treatment, an average of 288 per annum.

Operations performed totalled 548 (including 108 minor operations) against 467 the previous year.

Road Accident cases totalled 17 against 12 in 1945.

Out-patient attendances increased by 1,401. The figures for the year are 5,410, including 1,733 Physiotherapy patients, against last year's figure of 4,009, and the number of new out-patients 1,021 against 1,241.

THE STAFF

Despite repeated shortages and changes in nursing and domestic staffs, an efficient service was maintained. Again, grateful thanks are offered to voluntary helpers, too numerous to name, and to Matron and the remaining staff, for work well done and for carrying on in spite of difficulties.

THE LADIES

In spite of changed conditions, the Ladies' Committee did not relax their efforts. Visiting continued systematically, and assistance was given on the domestic side. The usual "Pound Day," Flag Day and Vegetable and Flower Stall were successfully organised, bringing in a total of £161 11s. 5d. compared with £202 19s. 6d. in 1945.

The Ladies and their numerous helpers and collectors are to be congratulated on their splendid achievements. These would not be complete without mention of the annual House-to-House Subscription Collection, organised by Mrs. K. F. Hood, which realised £274 against £329 in 1945.

OVERSEAS GIFTS

We are grateful to the people of the Dominions for gifts of foodstuffs received during the year through the Overseas Gifts (Food) Allocation Centre of the Ministry of Food.

THE LINEN

The report of the Ladies' Linen League is published separately, but the Committee wish to record here their gratitude to these ladies for carrying on their good work in difficult circumstances, especially to Mrs. R. E. Leach and her band of helpers at Fellstow.

CHILDREN'S CLINIC

The West Riding County Council has established an Ear, Nose and Throat Clinic, in charge of Mr. Donald Watson. Equipment has been provided by the County Authorities.

THE HONORARY STAFF

Once again, the members of the Honorary Consultant and Honorary Medical Staff have given their services unstintingly and the Committee wish to record not only their own, but also the patients' grateful thanks. The Hospital temporarily lost the services, through illness, of Dr. Donald Riley, Radiologist. His services have been greatly missed and the Hospital was fortunate in being able to call upon Dr. J. K. Armstrong during Dr. Riley's enforced absence.

PHYSIOTHERAPY DEPARTMENT

Miss Barbara Bell was appointed as Physiotherapist in May, 1946. She has proved a credit to St. Dunstans who were responsible for Miss Bell's training. A new combined Galvanic and Faradic Switchboard (in braille) has been installed at a cost of £60, and Diathermy apparatus is on order at a cost of £200.

Up to the time of Miss Bell's appointment the Out-patients' Massage Department was in the hands of Miss Pullan and her staff. Thanks are due to them and also to Miss Marion Prest for her help. Miss Pullan has continued to attend to the needs of the In-patients as Hon. Masseuse as before.

HOSPITAL EXTENSIONS

The Ministry of Health is considering plans for extensions to the Hospital in order to provide a more suitable X-Ray Department, an Out-patient Department, and additional bath-rooms and sluice-rooms.

NURSES' HOME

The Nurses' Home, Oakbridge House, has been redecorated, and fencing has been erected around the premises.

THE OFFICE

Mrs. F. C. Thompson resigned in July, 1946, from the office of Secretary, which she has held in a voluntary capacity throughout the War years. The Committee wish to put on record their appreciation of her invaluable work during a very difficult time.

Mr. L. Hartley, who had been Secretary of the Hospital until his call-up for the Army, took up the appointment of Secretary-Superintendent at Accrington Victoria Hospital upon his discharge from the Services. The Committee and all his friends wish him happiness and success in his new post.

A warm welcome is extended to his successor, Mr. F. W. Sadler, who was appointed in his place in October, 1946.

Mr. G. E. Mitton has again given valuable assistance with finance and accounting matters and his services have been much appreciated.

THE GENERAL COMMITTEE

It is with deep regret that the death is recorded of Mr. J. E. Crowther who died in December in the Hospital he had served so well. He was one of the early members of the Committee, having served on it for 39 years. He acted for several years as Honorary Secretary, and also as Vice-Chairman. His experience and advice have always been most helpful and his loss will be seriously felt.

An appointment in Bradford compelled Miss Stephenson to resign from the Committee in July, 1946, and in November, Mr. H. J. Behrens tendered his resignation owing to his leaving Ilkley, after having served on the Committee since 1938.

Mr. Behrens had had much experience in Hospital matters, having been for many years Chairman of The Bradford Royal Eye & Ear Hospital, Vice-Chairman of The British Hospitals Association, Yorkshire Area Committee, and a Representative of

that Committee on the Association's Council in London. His advice and guidance will be greatly missed.

Another loss has been suffered in the death towards the end of the year of Mr. W. H. Watson, the Architect, who prepared the plans of the proposed new Hospital. But for the war, it is probable that Mr. Watson would have lived to see his ideas and designs carried to completion.

EQUIPMENT

Hospital equipment has been maintained and renewed where necessary. A new Refrigerator was installed for the storage of drugs and provisions at a cost of £157. A new post-mortem table was provided and a new type of water-heater for the Mortuary.

FINANCE

THE BALANCE SHEET

The Income and Expenditure Account for the year shows a disappointing result. Expenditure has exceeded income by as much as £1,188 6s. 0d. Unfortunately, the reason is not far to seek. Whereas expenses of every kind have increased since 1945, e.g., Salaries and Wages by £586, Surgery and Dispensary by £78, Domestic Expenses by £78, and Provisions by £77, income from almost all sources has gone down: Donations by as much as £750, Contributory Scheme Grant by £400, Subscriptions by £43, Flag Day and "Pound Day" by £41.

On the other hand, the State Grant towards nursing salaries has risen by £244, Patients' payments by £59, and Church Offerings by £16.

The decrease in donations and subscriptions may be due, in part, to the fact that the general public are well aware that it is the Government's intention to take over the control and management of the Hospitals, and many have already withdrawn their

support. Unfortunately, they appear to have failed to realise that this change-over will not take effect until April, 1948.

In the meantime, Voluntary Hospitals must be kept running, equipped and staffed, otherwise the sick working-man and woman for whose benefit, mainly, they exist, cannot help but suffer.

DONATIONS AND SUBSCRIPTIONS

The Committee are most grateful to Councils, Societies, Organisations and Firms who have made contributions during the year. The most notable are grants of £302 from the West Riding County Council, £75 from Ilkley Urban District Council, and £15 from Skipton Rural District Council, and the following donations:—"Yorkshire Observer" Hospital Foursomes £73 10s. 0d.; Ben Rhydding St. John's Ambulance £70; Ilkley Players £45 4s. 7d.; Dacre, Son & Hartley £19 12s. 0d.; Bolton Abbey "Bring and Buy" Sale, per Mrs. H. Ward, £16, and Burley Woodhead Hospital Committee £9 9s. 0d. Legacies were received from the late Mr. E. Denton Waring £150, the late Mrs. E. A. Lund £50, and the late Mr. Henry Sutcliffe £100.

THE CONTRIBUTORY SCHEME

Sincere thanks are due to the Contributory Scheme Committee and its workers and contributors. Despite the fact that, in present circumstances, the Scheme will be non-existent next year, the public continues to render excellent support. During the past year, the Hospital received grants totalling £1,000 against £1,400 in the previous year. Considering the number of contributions which have ceased through the closing of local munition factories, to have been able to transfer such a sum is no mean achievement and reflects great credit on the Contributory Scheme Committee and its workers.

In conclusion, the Committee wish to express their grateful thanks to all who have helped in any way during the year under review, whether by service, subscriptions or donations in kind or in cash. They make an earnest appeal for a continuance of such help from all past supporters, and a resumption of effort from those who for any reason have relaxed, so that the Hospital's last year under voluntary control may be a real success.

ILKLEY CORONATION COTTAGE HOSPITAL CONTRIBUTORY SCHEME

CHAIRMAN'S REPORT FOR THE YEAR 1946

Mr. Chairman, Ladies and Gentlemen,

It is with great pleasure that I present to you, on behalf of the Ilkley Coronation Hospital Contributory Scheme, their Seventh Annual Report, the Report for the year ending 31st December, 1946.

As you will hear later from the Treasurer's Report, the year has been a fairly satisfactory one financially, and the number of contributors remains more or less the same as for the previous year. There has been a decrease in the membership from the Firms, but, fortunately, a corresponding increase in the numbers from the shops.

We had thought that some of our members might cease paying their contributions owing to the nearness of operation of the Government Security Scheme. However, we are pleased to note this is not the case, and that the majority of our members are, very wisely, continuing their membership.

During the past year, 205 members of the Scheme as In-patients staying a total of 3,524 days, have been treated at the Hospital, and the number of Out-patients 715, is a big jump on last year's number.

Of these 715, 273 have had X-ray examinations,
60 have been Physiotherapy patients, and
382 have been casualty patients.

At other voluntary Hospitals, 143 In-patients and 175 Out-patients have been treated at a total cost to the Scheme of £849 19s. 0d.

During the year, we have been unfortunate in losing some very valuable members of the Committee. Mrs. F. C. Thompson, who resigned in September, had, for nearly six years carried out the duties of Secretary. We are deeply grateful to her for the very valuable help and co-operation, and for the efficient and loyal service which she gave to the Contributory scheme during the very difficult war years.

Mr. H. J. Behrens is another member whose resignation is a great loss to the Committee. His experience and knowledge of Hospital affairs have always been of great assistance to the Committee, and he has ever been ready to give up his time and energy to help further the interests of the Contributory Scheme. His departure to the South of England leaves a vacancy on the Committee which will be extremely difficult to fill.

Miss A. E. Stephenson and Mr. A. L. Robinson are also two members whom we regret to lose. Both have given valuable service to the Contributory Scheme during their terms of office on the Committee.

We extend our sincere thanks to our Secretary, Mr. F. W. Sadler, who, in the short time he has been with us has given a great deal of help and co-operation, and has shewn that his experience and tact will be of immense benefit to us.

To our Shop-Steward, Mr. Mortimer, our grateful thanks are again due, and, as the Treasurer will later tell you, it is largely due to his efforts, and those of his helpers, that we have so large a membership amongst the shop collectors.

We should also like to thank Employers, their Wage Clerks and Cashiers for accepting the extra burden and responsibility of deducting contributions from wages.

On behalf of all our members who have received treatment at the Hospital, we should like to say how grateful we are to the Medical and Nursing Staffs of the Coronation Hospital, for the great care and attention that has been given to our members whilst receiving treatment at the Hospital.

Our thanks also are due to the Staffs of outside Hospitals, and to all those who have helped in any way, large or small, to another successful year's running of the Contributory Scheme.
